For judgement on my mind
For judgement on my mind
For judgement on my mind
For judgement on my mind

Kioku mo ha ki dasenai (The memory can't be felt too)
Yami sura mi ushinau (The darkness you see is even lost)
Arifureta shodoo (Ordinary impulses)
Me o sorashi tsuzukeru (The eyes continue to look away)

Shinjitsu o ha ki dasenai (The truth can't be felt)
Hikari o mi ushinau (The light you see is lost)
Arifureta genshoo (Ordinary phenomenon)
Me o fusagi tsuzukeru (The eyes continue to cover up)

Saegiru mo ha sura nanimoinai (And nothing even interrupts)
Boku no atama no gizen to daraku (Hypocrisy and degeneracy in my head)
Sokoni tadori tsuki kara (From there I reached the following)
Naru mono no shinjitsu no yukue ha (Resulting in the truth's whereabouts)

Itsuka no (Some day...)
Soko-de miteita yami-no mukou-no subete-wo (There I saw beyond the darkness)
Soko-de miteita yami-no mukou-no subete-wo
Soko-de miteita yami-no mukou-no subete-wo
Boku-no kokoro-ni tadori tsuku kioku no (In my heart, I reached the following memory)
