Go!

I just see another day
Someone to see over tomorrow
You must see yesterday
I know what you did last day

The silence of crows
The art of dying
I'm walking the other way
I don't care nothing changin' tomorrow

Kuzure ochi yuku gensoo no kagiri (The illusion's
shadow goes to destroy the calm)
Sozo sareta futashikana kozo (Uncertain structures are
created)
Ume tsuku sareta hikari no naka ni ha (In the light, it
starts to bury)
(It is over) The silence of crow
No reason why

"cause just is
(No reason why)

So! The silence of crows

I just see another day
Someone to see over tomorrow
You must see yesterday
I know what you did last night

The silence of crows
The art of dying
I'm walking the other way
I don't care nothing changin' tomorrow

Tojikomerareta gensoo mo kageri (confined illusion
and shadows)
Sugi saru kao ha futashikana shoozoo (Unsure images
passing by my face)
Kizamikomareta ikari no hate ni ha (Cut the anger's

end)
(It is over) The silence of crow
No reason why

"cause just is
(No reason why)
