[Big Mello]

I'm trying to stay on feet now, hustling in these streets  
now  
Got to feed my family, if I don't work we don't eat  
No time for all that capping, showing off and acting  
Brothers with that flashing, just don't know what's  
happening  
Now it ain't what you do it's how you do, keep your  
bidness on the cool  
Stack that paper the golden rule, don't let no one stop  
you

[Hook - 2x]

Haters they talk down now, playas put it down now  
Don't worry how it's going down, what goes around  
comes around

[Big Mello]

So many haters doubted me, salted me in the industry  
Folks and peeps stayed down with me, see I got love in  
these streets  
My so called partnas doing Hollywood, turn they back  
on the neighborhood  
Some cats be up to no good, I pray for them and it's  
understood  
Now everybody got they issues, some smoke their's  
and some too  
Whatever you do do what you do, see I can not judge  
you

[Hook - 2x]

[Big Mello]

Why all that finger pointing, counting people money  
High capping and fronting, now you must don't have  
nothing  
Empty wagons make a bunch of noise, men are men  
and boys are boys  
Real is real and fraud is fraud, me I be bone hard now  
Stack your paper mayn and maintain, do your thang  
stay out the rain

Don't let nothing bust your brain, don't worry bout a  
thang

[Hook - 4x]
