I've got nothing to worry about,
So I worry about nothing.
I think I've got fleas or some tropical disease
And my spider-sense is tingling.

I've got nothing to panic about,
So I panic about nothing.
I won't buy grapes, I check the 'sell by' dates,
And I only eat fruit out of tins.

I've got the blues,
I've got lifts in my shoes,
And I'm scared of the countryside.
I can't sleep 'cause I see spiders
When I close my eyes.

I've got nothing to be afraid of,
So I'm afraid of nothing.
I've emptied out the cupboard underneath the stairs
Because I think the sky is gonna fall in.

How did I get to be such a
Mess so soon in my life?
I can't sleep 'cause I see spiders
When I close my eyes.

All I ever wanted to be
Was comfortable and kind.
I can't sleep 'cause I see spiders
When I close my eyes.

I'd love to go to San Francisco,
But I'm too afraid to fly.
I can't help it, I see spiders
When I close my eyes.
