It's not my fault I look better in her party dress

It's not my fault that you left your slutty girlfriend

It's not my fault this is how my mamma made me

I've been magnetic since I was a baby

It's not my fault I look cuter in his boxing gloves

It's not my fault that she left you for my shiny tongue

It's not my fault this is how my daddy made me

I've been magnetic since I was a baby

I've been magnetic since I was a baby

In my fist there's a song

Do you wanna sing along

Yeah yeah yeah yeah

In my fist there's a song

Do you wanna sing along

Yeah yeah yeah yeah

It's not my fault I would never hurt anyone

It's not my fault the damage was already done

It's not my fault this is how I-I-I made me

I've been magnetic since I was a baby

I've been magnetic since I was a baby

As I crossed the city on my feet

A helicopter shot a search light down the street
And as the Empire State turned the sky green
All that I could say was shine the light on me
It's not my fault some people wish I was dead
It's not my fault my precious little hands are red
It's not my fault they pushed so hard they made me
I've been magnetic since I was a baby
I've been magnetic since I was a baby
