Misguided woman knows my name

Ain't got nobody else to blame

I got a girl back home

She's waiting all alone

Ten weeks of rock and roll arcade

Seems like a year since I've been paid

I got to let it go, no one will ever know

I got a little too loose

In Oklahoma city

I didn't care if she was young

Didn't care if she was pretty

I got a little too loose

A little too loose

A little too loose, oh, oh, oh

Keep little secrets far too long

Guess that I'll put them in a song

I got to let it go, no one will ever know

Baby, can I get you a taxi

She said, "That's ok, tonight I'm staying here"

All that little girl wanted yeah

Was a slippery souvenir
