Black top blazin', hometown fadin'
Out of sight in the rear view mirror
Stevie ray blasting on the radio
As I slam it into higher gear

My baby's by my side, tears in her eyes
Writing a goodbye letter
Sayin' Johnny and me are runnin' wil and runnin' free
Just like you did momma

Don't know here we're goin'
But when we get there we'll know
We're gonna follow the code of the road

Jump into the fire
Keep our love alive and kickin'
Down the door, it's what we're livin' for
Rockin' side by side
Keep your love alive and kickin'

We got everything we own in the trunk and on the roof
And she's got baby sitting money in her pocket
We're drivin' fast, ain't no looking back
We're flyin' through the desert like a rocket

White line windin' up interstate five
The road goes on forever
And it doesn't matter where it's gonna take us
As long as we're together

We're takin' our chances
Gonna do it our way
Pedal to the metal shooting down the highway

Jump into the fire
Keep our love alive and kickin'
Down the door, it's what we're livin' for
Rockin' side by side

Keep your love alive and kickin'

Jump into the fire

Keep our love alive and kickin'

Down the walls, that's when

Freedom calls

Rockin' side by side

Keep your love alive and kickin'
