The Electric Drill Song)

(Billy Sheehan, Paul Gilbert, Andr   Pessis, Pat
Torpey, Eric Martin)

If you're a red hot fire cracker

I will light your fuse

If you cry like a little girl

I'll dry your baby blues

When you need a man of action

I'm ready to make my move

Like a shogun shot, Johnny on the spot

There's nothing I can't do

Everything you're looking for

You can find in me

I'll be anything you want

Anyone you need

I'll be your daddy, your brother, your lover and

your little boy

When your body needs salvation

I'll be your tender touch

I'll take all the love you give

And give you twice as much

When we get undercover
And do the horizontal mile
I'm in the mood to answer to your call of the wil
Everything you're looking for
You can find in me
I'll be anything you want
Anyone you need
Everything you're looking for
Anything that you want and more
I'll be your daddy, your brother, your lover and
your little boy
