Someone said life is for the takin', here I am with my
hand out,
Waitin' for a ride.
I've been livin' on my great expectations, what good is it
when I'm stranded here,
And the world just passes by?
Where are the signs, to help me get out of this place?

If I should stumble on my moment in time,
How will I know?
If the story's written on my face,
Does it show?
Am I strong enough to walk on water,
Smart enough to come in out of the rain?
Or am I a fool?
Goin' where the wind blows.
(where the wind blows)

Here I sit halfway to somewhere, thinking 'bout what's in
front of me,
And what I left behind.
On my own supposed to be so easy, is this what I've
been after,
Or have I lost my mind?
Maybe this is my chance, and it's coming to take me
away, yeah,

If I should stumble on my moment in time,
How will I know?
If the story's written on my face,
Does it show?
Am I strong enough to walk on water,
Smart enough to come in out of the rain?
Or am I a fool?
Goin' where the wind blows.
(where the wind blows)

Here I am, walking naked through the world,
Taking up space, society's child,
Make room for me, make room for me, make room for
me.

Am I strong enough to walk on water,
Smart enough to come in out of the rain?
Or am I a fool?
Goin' where the win blows.
(where the wind blows)
(la la la la la la la)
(la la la la la la la)
