Artist is not Mr. Big. It's EXTREME.

Sayin' I love you

Is not the words I want to hear from you

It's not that I want you not to say,

but if you only knew

How easy it would be to show me how you feel

More than words is all you have to do to make it real

Then you wouldn't have to say that you love me

Cus' I already know

What would you do if my heart was torn in twoâ€¦

More than words to show you feel

That your love to me is real

What would you say if I took those words awayâ€¦

Then you couldn't make things new

just to say I love you

Da di da... more than wordsâ€¦ Da di daâ€¦

Now that I tried to talk to you and make you understand

All you have to do is close your eyes and just reach out  
your hands

And touch me

Hold me close, don't ever let me go

More than words is all I ever needed you to show

Then you wouldn't have to say that you love me

Cus' I already know

What would you do if my heart was torn in twoâ€¦

More than words to show you feel

That your love for me is real

What would you say if I took those words awayâ€¦

Then you couldn't make things new

just by sayin' I love you
