Paul Rodgers, Paul Kossoff, Andy Fraser, Simon Kirke)

["People constantly ask us where we got the name Mr. Big. Here's our version

of the classic "Free" tune that started it all."]

I work hard every day, come rain or shine

Don't need nobody to tell me 'bout that girl of mine

She's got so much love, she saves it all for me

And I would not be lyin', that's the way it's got to be

So Mr. Big, uh, better watch out, don't you hang around me now

'Cos all for you I would dig a great big hole in the ground

Alright, yeah yeah

Now listen - I don't care who you are, so don't explain

Better get on outta here and don't you come back again, now now

I don't want a thing from you, don't wanna give me nothing too

So get on outta here before I lose my cool

So Mr. Big, better watch out, don't you hang around me now

All for you I would dig a great big hole in the ground

Yeah yeah, whoa-oh, oh yeah, but you know I really mean to, yeah

(Solo)

Ohh, Mr. Big!
