["Eric came up with some very cool chords. He sings okay too."]

Hey yeah yeah!

You don't know what you've got till the love has almost gone

This time, yeah, she's givin' up

Still in a state of shock, I should have seen it comin' on

It's too late for wakin' up

Her mind's made up, I know the dream is over, but my heart just can't let go

Chorus:

She's too good to be forgotten, too good to be true

Before my world is torn apart, I'll promise her the moon

I'll promise her the moon

I was too blind to notice her, wrapped up in myself

Workin' hard, overtime, night and day

I thought we were so secure, can't imagine someone else

Could come between us and take her away

Her mind's made up, I know the dream is over, but my heart just can't let go

(chorus)

And all the time she stood by me, I never said "I love
you"

Yeah I kept it deep down in my soul, and all the while
I've been a fool

Yeah, yeah, yeah

(chorus)

Hey yeah yeah yeah, I promise her the moon, hey
