Hold on little girl

show me what he's done to you

Stand up little girl

A broken heart can't be that bad

when it's through, it's through

Fate will twist the both of you

So come on baby come on over

Let me be the one to show you

CHORUS:

I'm the one who wants to be with you

Deep inside I hope you feel it too

Waited on a line of greens and blues

Just to be the next to be with you

Build up your confidence

So you can be on top for once

Wake up who cares about

Little boys that talk too much

I seen it all go down

Your game of love was all rained out

So come on baby, come on over

Let me be the one to hold you

CHORUS

Why be alone when we can be together baby

You can make my life worthwhile

and I can make you start to smile
