My Way by Party Animals  
And now the end is near  
And so I face the final curtain  
My friend, I'll say it clear  
I'll state my case, of which I'm certain

I lived a life that's full  
I've traveled each and ev'ry highway  
And more, much more than this  
I did it my way

Regrets, I had a few  
But then again, too few to mention  
I did what I had to do  
And saw it through without exception

I planned each charted course  
Each careful step along the byway  
And more, much more than this  
I did it my way

Yes, there were times, I'm sure you knew  
When I bit off more than I could chew  
But through it all, when there was doubt  
I ate it all and spit it out

I faced it all and I stood tall  
I did all that and may have said nothing yet  
I did it my way

I've loved, I've laughed and cried  
I've had my fill, my share of losing  
And now as tears subside  
I find it all so amusing

To think I did all that  
And may I say, not in a shy way  
"Oh, no, no, no, not me  
I did it my way"

For what is a man, what has he got?

If not himself, then he has naught  
To say the things he truly feels  
And not the words of the one who kneels

The record shows I took the blows  
And did it my way!  
And did it my way!

I faced it all and I stood tall  
And did it my way  
And did it my way!
