nyc-hippy by Party Animals

I'm proud to be a New York City hippy

I'm proud of dirty feet and dirty hair

I'm proud of living with the cock-a-roaches

I'm proud of living in a garbage can

I'm proud to be a New York City hippy

I'm proud, I'm proud, I'm proud....

I'm proud to be a New York City hippy

I'm proud of dirty feet and dirty hair

I'm proud of living with the cock-a-roaches

I'm proud of living in a garbage can
