Yodele [12x]

I think I need a stock progression
To show me what the people like

Sometimes it sounds we like a classic
It's stolen but it's what we like!

I like the show-ho-ho [2x]
I bet you don't know anything about the music that you
hear

The show [2x]
You just like the show

The glittering
The number one
The one who stole the show
The show [2x]
You just like the show
The glittering
The number one
The one who stole the show

Yodele [12x]

I think it better sound commercial
'Cause that is what the people want
It didn't take a lot of rehearsals
I always make it hit the judge

I like the show-ho-ho [2x]
I bet you don't know anything about the music that you
hear

The show [2x]
You just like the show

The glittering
The number one
The one who stole the show

The show [2x]
You just like the show
The glittering
The number one
The one who stole the show

Yodele [12x]

I like the show-ho-ho [2x]
I bet you don't know anything about the music that you
hear

The show [2x]
Yodele [3x]
[8x]

I like the show-ho-ho [2x]
I bet you don't know anything about the music that you
hear
