"Air That I Breathe"

If I could make a wish, I think I'd pass
Can't think of anything I need
No cigarettes, no sleep, no light, no sound
Nothing to eat, no books to read
Making love with you has left me peaceful more than
tired
What else can I do, there's nothing left to be desired
Peace came upon me and it leaves me weak
So sleep, silent angel, go to sleep
Sometimes, all I need is the air that I breathe and to
love you
All I need is the air that I breathe, yes to love you
All I need is the air that I breathe
Peace came upon me and it leaves me weak
So sleep, silent angel, go to sleep
Sometimes, all I need is the air that I breathe and to
love you
All I need is the air that I breathe, yes to love you
All I need is the air that I breathe
Sometimes, all I need is the air that I breathe and to
love you
All I need is the air that I breathe, yes to love you
All I need is the air that I breathe
