My little darling, it's a cryin' shame
The way that you lead me on
And I got nobody but myself to blame
'Cause I've always just played along

Well show me a body that gets no love
And I'll show you a body that's way messed up
Well it seems like you're aware of the effect you have
on my head

If you feel like I'm asking you for too much
We can keep in touch
And I'll find someone else to bed
Bed
Find some
Find someone else to bed
Bed, bed
Find someone else

My little darling, I'm a tangled mess
When you tease me the way you do
And what it would be like I can only guess
If you'd please me like I wanna please you

Well, show me a friendship that's pure and chaste
And I'll show you an engine that's dyin' to race
Well, the time has come for me to find another way to
get my soul fed

I know we could be the sweetest friends
But if that's where it ends
I've got to find someone else to bed
Bed
Find some
Find someone else to bed
Bed
Find some
Find someone else

Well the time has come for me to take care of myself
instead
You know if we remain on a spiritual plane I will go

insane
Don't make me find someone else to bed

Bed
Don't make me find someone else
Find someone else to bed
Uh uh uh
Find someone else to bed
Bed
Find some
Find someone else to bed
Bed
Find some
Find someone else
My little darling it's a crying shame
I've got to find someone else
Find someone else to bed
I got nobody but myself to blame
Find someone else to bed
Find someone
Find someone else
