I wanted to leave you
Completely pleased
Sleep drifting above you
Sweetly released

Want to see you smiling, weak in the knees
I want to see you come, come, completely pleased
I want to give you something priceless and free
And free

I wanted to leave you
Completely pleased
Sleep drifting above you
Sweetly complete

Want to see you hazy, dazed and confused
I want to see you come, come, completely used up
I want to give you something forever and true
And true

Oh, you broke it
Now you bought it
So you might as well
Use it, while you got it
Do what you wanna do?

I wanted to leave you
Completely pleased
Sleep drifting above you
Sweetly at peace

I want to see you hazy, weak in the knees
I want to see you come, come, completely pleased
I want to give you something priceless and free
And free

I wanted to leave you
Completely pleased
I wanted to leave you
Completely pleased
{Alright stop it now}
