Fascinating new thing.
You delight me, and I know your speaking of me.

Fascinating new thing.
Get beside me, I want you to love me.

I'm surprised that you've never been told before
That your lovely, and your perfect, and that somebody
wants you.

Fascinating new thing.
You seem naked, what a temporary savior.

Fascinating new thing.
Don't betray them, by becoming familiar.

I'm surprised that you've never been told before
That your lovely, and your perfect, and that somebody
wants you.

I'm surprised that you've never been told before
That your priceless, yeah your precious, even when you
are not new.

La la la la la la la la la la
La la la la la la la la la la
La la la la la la la
I'm surprised that you've never been told before
That your lovely, and your perfect, and that somebody
wants you.

I'm surprised that you've never been told before
That your priceless, yeah your holy, even when you are
not new.

Come on now, come on.
Come on now, come on.

Fascinating new thing.
(Fascinating new thing)

Fascinating new thing.

(Fascinating new thing)

Fascinating new thing.
(Fascinating new thing)

Fascinating new thing.
(Fascinating new thing)

Alright now, alright.
