Long ago, I was told there were riches inside of me  
Someone old hid the gold and the finding was my

And I'm afraid I'm never gonna find my way back to  
where I've been (My way back to where I've been)

...To find my way back to where I've been (To find my  
way back to where I've been)  
...To find my way back to where I've been (To find...)  
Ohhh my...
