Nobody knows it but you've got a secret smile  
And you use it only for me  
Nobody knows it but you've got a secret smile  
And you use it only for me  
So use it and prove it  
Remove this whirling sadness  
I'm losing I'm bluesing  
But you can't save me from madness

Nobody knows it but you've got a secret smile  
And you use it only for me  
Nobody knows it but you've got a secret smile  
And you use it only for me

So save me I'm waiting  
I'm needing, hear me pleading  
And soothe me, improve me  
I'm grieving, I'm barely believing it now, now

When you are flying around and around the world  
And I'm lying lonely  
I know there's something sacred and free reserved  
And received by me only
