Rocking all the people is the only thing I do,
Dressed in a suit and some face-paint too,
You either like what I do or you think it's just shit,
But one thing's sure, I ain't ever gonna quit,
So, fuck everyone who ain't down with this,
Feel the crusher pound your mind while you drink my
fucking piss,
Gonna keep on rocking this until I'm dead,
Gonna make you listen to it 'til you're sick in the head,

Crusher fucker, I know you love it,
Turn up the volume like you don't give a shit,
Crusher fucker, I know you love it,
Turn it up, turn it up!

Bounce baby, bounce baby,
Yeah, I know you hear me,
Bounce baby, bounce baby,
Oh yeah.

Feel the crusher fuck you up from the inside,
Make your ears bleed and there's nowhere to hide,
This is what I do, and I fucking like it too,
It's my outlet for anger: to get back at all of you,
I'm Mr. Strange, twisted and deranged,
I'm not part of your reality, no, mine's not the same,
A fucking egomaniac is what I'll become,
I'll take what I want and I know you'll want some,

Crusher fucker, I know you love it,
Turn up the volume like you don't give a shit,
Crusher fucker, I know you love it,
Turn it up, turn it up!

Bounce baby, bounce baby,
Yeah, I know you hear me,
Bounce baby, bounce baby,
Oh yeah.

Crusher fucker, yeah,
It's my fucker crusher,

Beats, beaten,
Bass, bleeding,
Breaks, broken,
Crusher fucker!

Crusher fucker, I know you love it,
Turn up the volume like you don't give a shit,
Crusher fucker, I know you love it,
Turn it up, turn it up!

Bounce baby, bounce baby,
Yeah, I know you hear me,
Bounce baby, bounce baby,
Oh yeah.
