Vast Populations Flee
Everybody's Fucking Leaving
Now We're All Refugees
Mass-Exodus, The Streets Are Seething

No Escape From The Endless Horde
This Billion-Headed Bastard Out For Blood
Stifled In The Shrieking Herd
Cattle To Slaughter, Drops In An Ocean Of Dust

No Place To Fucking Go
Praying I Must Be Dreaming
Multitude Of The Hateful Host
Lurching, Shouting, Shoving, Screaming

No Escape From The Endless Horde
This Billion-Headed Bastard Out For Blood
Stifled In The Shrieking Herd
Cattle To Slaughter, Drops In An Ocean Of Dust

Flash Tide Of Panic In The Streets
This Can't Be Fucking Happening
Dear Faces Lost In The Stampede
I'd Kill You All To Fucking Breathe
And As You Struggle To Stay Free
We're Crushed Like Rats Beneath Your Feet
This Fucking Crowd Is Crushing Me
Corpses Piled Against The Doors
Uninfected And Infected
Smothered By The Rabid Swarm
Charnel-Pile Of Human Wreckage

No Escape From The Endless Horde
This Billion-Headed Bastard Out For Blood
Stifled In The Shrieking Herd
Cattle To Slaughter

Flash Tide Of Panic In The Streets
This Can't Be Fucking Happening
Dear Faces Lost In The Stampede
I'd Kill You All To Fucking Breathe
And As You Struggle To Stay Free

We're Crushed Like Rats Beneath Your Feet
This Fucking Crowd Is Crushing Me

There's Too Many
