I'm Detecting Vital Signs
Thank Fucking God There's Somebody Still Alive
Rush Him Straight Into Quarantine
Screening Procedure For This Selfish Gene
Viral Infection, There Is No Cure
Vital Precaution, We Gotta Be Real Sure
Blood Pressure's Low And The Pulse Is Weak
Poor Bastard's Been Alone So Long That He Can Hardly
Speak

These Motherfuckers Are Taking Over, Wrecking As
They Go
A Monoculture Of Fucking Vultures, Parasitic Host
Pernicious Locusts, Consuming All
Agents Of Destruction, Red In Tooth And Claw

I'm Fucking Shaking, Deep In Shock
That Fucking Freak Bit My Fucking Hand Off
Just When We Thought We'd Found A Friend
This Fucking Asshole Turns Out To Be One Of Them

These Motherfuckers Are Taking Over, Wrecking As
They Go
A Monoculture Of Fucking Vultures, Parasitic Host
Pernicious Locusts, Consuming All
Agents Of Destruction, Red In Tooth And Claw

Murder Your Neighbours
