Stand up! You know what's up! Can't nobody fuck with  
that Latin Don [Sen Dog] I used to be a vato from the  
street Had a lot of hunger, loved to compete Want the  
whole world to know about my barrio All the way to  
Cuba, Mexico and Cairo They would know my name like  
they would know my cliqua Got some game, que toda  
via, rrripa Things have changed, now I'm a grande Got  
two blammas livin with me at the chante Game just ain't  
like it used to be I can't find no vato I used to call me So  
I go home enciento empienso Don't let your mind play  
those pinchy juegos Shake it off boss, show 'em you  
got huevos No dejas nada chinga tu nuevos Rife on my  
hip for my heina, my ninos All my car knowledge they  
get my carino Remember dog that, you can do all Just  
believe in yo'self and have faith in God Anybody don't  
like it can FUCK 'EM ALL Caveza barriba I'm walkin tall  
[Chorus] All the raza in the house stand up Show that  
you're proud and you don't give a fuck Let me see  
show that you got love for yo' gente Somos muchos  
intelligente When we unite, no one can harm us Get in  
our way or try to stop us Don't front ese, you know  
whassup Can't nobody fuck with them latin thugs [Sen  
Dog] Now, you're gonna have those pinchy tiempos  
When all you need is food or silencio Time for yourself  
to smoke calleno Whatever it takes to make you  
contento Relax with the fam and take some vacaciones  
Don't deal with this or the pinchy horday What  
seperates the men from the ninos is a big failure or a  
fly Benzino I've had all of that, yo se lo que te digo  
Gotta be there in the long run for my hijos Look out for  
the youngsters and kick down glecha Make sure they  
know all about the iglesia Teach 'em your knowledge  
and help our sensia Then we're gonna see a big  
diferencia Don't get trigger happy, you big maton  
Cause it'll come back down on your own canton Look  
out and have love for your gente So we can move from  
the ride in the frente Don't be hardheaded, yo sucker  
tu entiende The mission put down by the big vato  
Senne [Chorus]
