If you don't put me on trial
Then why don't you turn me loose
You can throw the key away
Let me chase the wild goose
Your progress is my desire
You shouldn't do me wrong

Although it's true I'm worried now
I won't be worried long

Telling stories to the peacocks
Selling systematically
Just a counterfeit engraving
Of the way you used to be
Just another one-way number
Just another two-way song
Although it's true I'm worried now
I won't be worried long

Don't encourage me to murder'Cause it pays to
advertise
Don't treat me with suspicion
Don't tell me no more lies
You know I love your company
You shouldn't do me wrong

Although it's true I'm worried now
I won't be worried long
Although it's true I'm worried now
I won't be worried long
