Miscellaneous

That's The Way We Do (Part 2)

Last night

We had a fight, you ran out didn't call, didn't page me
Hangin' out witcha boys knowin' that they question why
we

On again off again, enemies then friends

I can't explain the way we do our thing

So I count the days

Chorus

One day ain't no thing to me, two days go by easily

Three days don't know what to do

Four days makin' mad calls to you

Five days just like friends again

Six days we makin' love again

Some don't think our love is true but

That's just the way we do

All my girls wanna know why I stay 'cause 'cause it's so
damn crazy

24-7 days we swing, we sway (I leave then I stay)

Constantly in love some days, outta love some days

Can't understand exactly why I stay

But I like it this way

One day ain't no thing to me, two days go by easily

Three days don't know what to do

Four days makin' mad calls to you

Five days just like friends again

Six days we makin' love again

Some don't think our love is true but

That's just the way we do

I don't know what to do

They don't think our love is true

They don't understand why I stay

But I like it that way

One day ain't no thing to me, two days go by easily

Three days don't know what to do

Four days makin' mad calls to you
Five days just like friends again
Six days we makin' love again
Some don't think our love is true but
That's just the way we do
