Come on in make a little bit of  
Magic with me  
Come on in begin the beguine together  
Honey  
Sugar  
Baby  
Come on in I'm gonna teach you  
How to swim  
Right up  
The river of love  
The river of love  
Come on down  
We can paint the town together  
Come on round  
And lay the roses down forever  
Honey  
Sugar  
Baby  
Come on in I'm gonna teach you  
How to swim  
Right up  
The river of love  
The river of love

When the water falls  
And we walk on the river  
And if you believe it  
We can do it forever  
By the thunder and rain  
And the pleasure and pain  
We can do it again and again and again  
Swim right up, swim right up, swim right up  
Right up the river of love  
The river of love
