Snake bite, she gimme a snake bite
Snake bite, she gimme a snake bite
Snake bite, she gimme a snake bite
Snake bite, she gimme a snake bite
She was a little bit long and a little bit lean
That's the kind of woman make a man feel mean
She was the moon at night
The only light
That would ever brighten my life

She was another man's wife
She was another man's wife
She was another man's wife
She was another man's wife
I'm gonna turn his picture to the wall
With a little bit of boogie, that ain't all
Hang his body on the door
With aching heart and a little bit more

She was another man's wife
She was another man's wife
Snake bite, she gimme a snake bite
Snake bite, she gimme a snake bite
Snake bite, she gimme a snake bite
Snake bite, she gimme a snake bite
she was a little bit long and a little bit lean
That's the kind of woman make a man feel mean
She gimme a snake bite
She gimme a snake bite
