Are you going to the party?  
Going to the Boston Tea Party?  
Going to the party?  
Going to the Boston Tea Party?  
Going to the party?  
Going to the Boston Tea Party?  
Going to the party?  
Going to the Boston Tea Party?

Redcoats in the village  
And there's fighting in the streets  
The Indians and the mountain men  
They're talking when they meet  
The king has said, he's going to put a tax on tea  
And that's the reason y'all Americans drink coffee

Are you going to the party?  
Are you going to the Boston Tea Party?  
Going to the party?  
Going to the Boston Tea Party? ....

Fire in the mountains, flames upon the heath  
And the president spit out the news  
He's biting on wooden teeth  
The children of the colonies got a different tale to tell  
I'm going to the city, tell my folks I'm doing well

Are you going to the party?  
Are you going to the Boston Tea Party?  
Going to the party?  
Going to the Boston Tea Party? ....

Bringing back the buffalo to the long prairie  
Bringing back the fishes swimming in the sea  
The children of the colonies got a different tale to tell  
Going down to the city, tell my folks I'm doing well

Are you going to the party?  
Are you going to the Boston Tea Party?  
Going to the party?  
Going to the Boston Tea Party? ....
