One day you're with us, but now you're gone.
Lord help me push through, and carry on.
Though we're trying, to hold you still,
You've been with God, and always will.

Amplified by your love,
Full of grace lifted up.
Amplified by your love,
Full of grace lifted up.

So many lives touched, a message is,
You are a gift to us, He told me this.
We're counting on your vision now,
Just come and show us how.
Till we meet again in heaven.

Amplified by your love,
Full of grace lifted up.
Amplified by your love,
Full of grace lifted up.

(Break Down)

Amplified by your love,
Full of grace lifted up.
Amplified by your love,
Full of grace lifted up.
