i like the way you work your body just for me  
i like the way you move so come on close to me  
i wanna freak you right and you don't have to hide  
i like it when you ah, ah  
cause that's the way i like

i like

girl i like the way you treat me right  
cause you're the one who makes me satisfied  
i wanna stay with you the whole night long  
you don't have to tell me what's right or wrong

oh i want it softly girl  
i really want it  
when you move your back for me girl

when i take your body ruthless tonight  
you will get the feeling that i need you by my side  
gonna taste you baby nice and slow  
cause ain't no place for us tonight to go

oh i want it softly girl  
i know you lady want it  
really, really want me too  
oh i want it softly girl  
i really want it  
when you move your back for me girl

Chorus

rap 1  
how will i know back when i like it when  
you get in and i get a little something for  
your mind if you let in i like the way you  
touch, i like the way you scream  
i like it when you ah, ah  
you know what i mean  
i wish i gotta hip up straight for the honeyz  
playin' with my money  
eh yo kane you are a dummy

oh yeah i know but what can i do for you  
i'm just a little guy knowin' that  
my match is true i bought her nice things  
from gucci to maschino, i'm driving in my  
s class i'm feeling like al-pacino, but know  
i gotta hot call for you 5 hours every night  
and you know what to do not every little  
girl thinks that i'm a little kid  
i'm don juan de marco 'cause she know what i did  
she like the way i leave her and call her  
seniority and i like the way she shakes the marguerites

now there we go, now here we go alright  
now there we go, now here we go  
'till the break of dawn  
i wanna kick it with you one time!

Chorus
