Failure, My friends have left and I'm still here.  
Like a hometown jailbird still savoring my senior year.  
It makes me restless, to know I'm smartyet play the  
fool.

As I settle for way less than of what I'm capable (yeah,  
yeah)

(Chorus)

So catch me  
If I jump from the bridge  
Be the safety  
On the gun to my head  
Be the weak strand  
On the rope from the rafters  
Be my slippery hand  
As I fumble the dagger  
In the dark.

Stardom, leave nothing to the imagination  
Fame and fortune,  
You can't go back the way you came from  
Unknowingly we sink to the level of animals  
I laugh out loud to think we see ourselves as role  
models (yeah, yeah)

(Chorus)

So catch me if I jump from the bridge  
Be the safety on the gun to my head  
Be the weak strand on the rope from the rafters  
Be my slippery hand as I fumble the dagger  
In the dark. (yeah, yeah)

Take it away, take it away,  
Take it away, take it away, take it away  
My reason for dying  
Leave it to fate, leave it to fate  
Show me a way out of the grave  
Out of a day I'm leaving behind me

Take it away, take it away,  
Take it away, take it away, take it away  
My reason for dying

Leave it to fate, leave it to fate  
Show me a way out of the grave  
Out of a day I'm leaving behind me

(Chorus)

So catch me if I jump from the bridge  
Be the safety on the gun to my head  
Be the weak strand on the rope from the rafters  
Be my slippery hand as I fumble the dagger  
In the dark. (yeah, yeah)
