And I'm tired of this fireplace

My chimney's speaking freely
He's telling me what he wants to be
And my chimney's breathing freely
He's telling me where he'd rather be

And my chimney's drawing blackness
And he needs some breathing room
He's talking to someone, thank you
Someone very important, please

It's easier
(Easier)
Said than done
(Said than done)

The smoke goes up
Up and out
How come he's
He's only telling me

My chimney's speaking freely
He's telling me what he wants to be
And my chimney's breathing freely
He's telling me where he'd rather be

And my chimney's drawing blackness
And he needs some breathing room
He's talking to someone, thank you
Someone very important, please

It's easier
(Easier)
Said than done
(Said than done)

The smoke goes up
Up and out
How come he's
He's only telling me

Its easier
(Easier)
Said than done
(Said than done)

The smoke goes up
Up and out
How come he's
He's only telling me

The smoke goes up, up and out
How come he's
He's only telling me

What's black and white
And red all over?
