Imagine me, Leia
Imagining you, Leia
Carrying us through, Leia
Through our darkest days, Leia

Say to me, don't give up on us
And you say to me, give up on me
And you say to me, hold on to me
Say to me, don't give up, don't give in

Just think of me, yeah
Thinking of you, yeah
And I think of you being with me, yeah
Through my darkest night, yeah, yeah

Say to me, give up on us
And you say to me, don't give up on me
You say to me, hold on to me
Say to me, don't give up, don't give in

Sing on
You'll live on
Sing on
Leave your light on
Sing on
Live on
Leave your light on

Sing on
Live on
Leave your light on
Sing on
Live on
Leave your light on

Sing on
Live on
Love will live on

Sing on
Live on
Love will live on

Sing on
Live on
Love will live on
