LIVING OUTSIDE

Burn

I got up and made it through the day  
I thought of what I want to say  
I know I  
Will lie to try  
Just to win you back  
So you'll cry  
When I hurt you back  
Its your turn to burn

Cause it helps me  
Move on  
Like you said you did  
It helps me be strong  
Like I heard you were

Doing great

It shows in my face  
When I see who took my place

And it helps me be strong  
Like I heard you were

And violence wouldn't solve a thing

I'll learn to burn

Cause it helps me  
Move on  
Like you said you did  
And it helps me be strong  
Like I heard you were

That I never wish it on anyone else

Turns out, no one gets left behind  
Turns out  
Turns out, no one gets out alive  
Turns out  
Feeling left behind now  
While everyone keeps moving on

The world comes to a stand still  
Yes in a fight  
Not just for your life  
They'll go right for your soul  
It's the loneliest p
