Mr. Fascination, Can't you love like me?
No more hesitation, Set your funky mind, be free
Mr. Fascination, Fascination please
Time for celebration child, Try boy, Celebrate to me

Mr. Fascination, Will you come with me?
All the girls that want you are waitin' for the time to
meet
Mr. Fascination, Baby can't you see
Sweet soundin' music cross the nation just about to set
you free

Baby baby, Rock me steady
Take me when you fall down

[Instrumental]

Mr. Fascination, I know you been untrue
Deep inside you're dancin' but then it came out through
Mr. Fascination, The fascination's through
Now I got somebody new and he's funkier than you

Baby baby, Rock me steady
Take me when you fall down

Mr. Fascination, Mr. Fascination
Mr. Fascination, Mr. Fascination
Mr. Fascination, Mr. Fascination
