Nothing but heartaches
Ooh, nothing but heartaches
He brings nothing but heartaches
Ooh, I can't break away from his arms
I can't break away from his charms
I can't break away from his kiss
'Cause his kiss I shouldn't miss

All my life
I needed someone to need me
So I do my very best to please him
But the more and more I care
The more of him other girls share
When I need a hand to hold
That's the time he leaves me all alone
He just keeps me,
Keeps me crying myself to sleep

He brings nothing but heartaches
Ooh, nothing but heartaches
But I can't break away
Oh no, I keep on loving him more each day
I can't break away from his arms
I can't break away from his charms
I can't break away from his kiss
'Cause his kiss I shouldn't miss

To him I'm loyal, To him I'm true
Why can't he be the same way too?
But the more my love has grown
The less love he had shown

Now, he makes promises he doesn't keep
Sometimes I don't see him all week
He just keeps me,
Keeps me crying myself to sleep

He brings nothing but heartaches
Ooh, nothing but heartaches
But I can't break away
Oh no, I keep on loving him more each day

He brings nothing but heartaches
Ooh, nothing but heartaches
But I can't break away
Oh no, I keep on loving him more each day
