I am a simple girl and I sing a simple song  
I've never been so much in love  
And I've never hurt so bad  
At the same time

I am a simple girl and I play a simple tune  
I wish that I could see you once again  
Across the room  
Like the first time

I just wanna hold you, I don't wanna hold you down  
I hear what you're saying, It's spinning my head around  
And I can't make it alone

The ending of the tale is the singing of the song  
And make me proud to be your woman  
You can make me strong  
Like the last time

I just wanna hold you, I don't wanna hold you down  
I hear what you're saying, It's spinning my head around  
And I can't make it alone

I am a simple girl and I sing a simple song  
I've never been so much in love  
And I've never hurt so bad  
At the same time

I just wanna hold you, I don't wanna hold you down  
I hear what you're saying, It's spinning my head around  
And I can't make it alone

I just wanna hold you, I don't wanna hold you down  
I hear what you're saying, It's spinning my head around  
And I can't make it alone

I just wanna hold you, I don't wanna hold you down  
I hear what you're saying, It's spinning my head around  
And I can't make it alone
