Always pretending to want you  
It's so easy to make you play my game  
Always deceiving to get you  
So goddamn easy to make you scream my name  
No remorse, no repent  
Still to you I'm heaven sent

I don't need a reason to hate you  
I don't need a reason to break you  
Just keep that mouth wide open  
And drain me, my darling, drain me, my darling!  
I don't even care if you want me  
I don't even care if you need me  
Just spread that pink wide smile  
And drain me, my darling, drain me my darling!

For so many years I've been faking  
It's so hard to keep lying, smiling in vain  
For so many years I've been taking  
innocent soil, hey baby, loss is my game  
No remorse, no repent  
Still to you I'm heaven sent

I don't need a reason to hate you  
I don't need a reason to break you  
Just keep that mouth wide open  
Drain me, my darling, drain me, my darling!  
I don't even care if you want me  
I don't even care if you need me  
Just spread that pink wide smile  
And drain me, my darling, drain me, my darling!

No remorse no repent  
Still to you I'm heaven sent

I don't need a reason to hate you  
I don't need a reason to break you  
Just keep that mouth wide open  
And drain me, my darling, drain me, my darling!  
I don't even care if you want me  
I don't even care if you need me  
Just spread that pink wide smile

And drain me, my darling, drain me, my darling!

Just keep that mouth wide open

And drain me, my darling, drain me, my darling
