In the dark... in death  
Eyes can't see... I cannot feel  
No voices... no light... no existence  
A dreamlike void surrounds me

silence... emptiness... peace of mind... in death

In emptiness...  
I focus my thoughts on my life  
In death I have the time to think of the past

Solitude...  
won't break my peace of mind  
Because here I must dwell eternally

In memoriam...  
For the one that once was me  
Entombed remains  
A gravestone marks I've passed away...  
(Sacred... to the memory of myself)
