In the dark...in death
Eyes can't see...I cannot feel
No voices...no light...no existence
A dreamlike void surrounds me
silence...emptiness...peace of mind...in death
In emptiness...
I focus mt thoughts on my life
In death I have the time to think of the past
verses I & II
Solitude...
won't break my peace of mind
Because here I must dwell eternally
In memoriam...
For the one that once was me
Entombed remains
A gravestone marks I've passed away...
(Sacred...to the memory of myself)
