LET GO(THE LAST CHAPTER)

Now everything
that used to matter to me
is taken away
forever gone

The only things
I really have left here
?in this life
are bitter hate and this fucking gun

From this trip I?m taking now
I?m never coming back?

It?s time, tonight?s the night
-the last one of my life
This time I?ll just let myself go
and leave this world behind

The booze flows in
like blood to heart that beats no more
and blows the flame of fear out?

I raise the gun
- my finger on the trigger -
and put the barrel into my mouth

From this trip I?m taking now
I?m never coming back?

It?s time, tonight?s the night
-the last one of my life
This time I?ll just let myself go
and leave this world behind

It?s here, tonight?s the night
-the last one of my life
With no fear I?ll just let my life go
and take the six-foot-dive?
