(music: Tenkula & Sentenced, words: Lopakka)

Now everything  
that used to matter to me  
is taken away  
forever gone  
The only things  
I really have left here  
..in this life...  
are bitter hate and this gun  
From this trip I'm taking now  
I'm never coming back...  
It's time, tonight's the night  
the last one of my life  
This time I'll just let myself go  
and leave this world behind  
The booze flows in  
like blood to a heart that beats no more  
and blows the flame of fear out...  
I raise the gun  
--my finger on the trigger--  
and put the barrel into my mouth  
From this trip I'm taking now  
I'm never coming back...  
It's time, tonight's the night  
the last one of my life  
This time I'll just let myself go  
and leave this world behind  
It's here, tonight's the night  
the last one of my life  
With no fear I'll just let my life go  
and take the six-foot dive...
