How do you do?
Have yourself, a pleasant afternoon.
Well, fuck you too,
Tonight's the one I choose, for you!

[Chorus]
I'll kill myself,
I'll blow my brains onto the wall.
See you in Hell,
I will not take this anymore.
Now this is where it is, this is where I will draw the line,
So excuse me while, I end my life.

I will pull this through,
Not having a reason's no excuse.
What the Hell do you,
Suppose that I have left to lose?

[Chorus]

[Guitar Solo]

Spoken I'll kill myself...
I'll kill myself
See you in Hell
I'll kill myself
See you in Hell
I'll kill myself
See you in Hell
I'll kill myself
See you in Hell

I'll kill myself,
I'll blow my brains onto the wall!
See you in Hell,
I will not take this anymore!
This is where it ends,
I put a bullet in my head.
Oh yes I did.
This is where it ends,
This is where I will draw the line.

Excuse me while....

I kill myself.
