[Slow Pain] Slow Pain  
Lowridin' in Japan  
[Fingazz] Lowridin'  
[Slow Pain] From Yokohama to Tokyo  
Fugokku to Nagoiya  
[Fingazz] We cruisin'  
[Slow Pain] And all around  
[Fingazz] Love to make my  
Rag drop down

[Verse 1: Slow Pain]  
I'm from the O-Town baby, lowridin' in Japan  
With my G homie, Fingazz, he the number one man  
Sunny blue skies got me feeling at home  
But I'm ten hours away  
In a Cadillac bone  
Bumpin' oldies with the homies  
O.G. L bring  
And stayin' together with the sick gangsta lean  
See some freaks in Nagoiya, hot mamas in Yokohama  
Brown love like the Bahamas  
I love to cruise around town, hit a switch up and down  
I'm a Raider for life  
Like the homie 10 Round  
PMX, keep it crackin', make the beats sound good  
See the homie Big Ron  
In a Cadi' fleetwood  
Ballers Nation clothes got me feeling all fresh  
Brown Pride tattooed on my chest  
On the toll road, pimpin'  
Tokyo bound  
Lowridin' all day to that old school sound

[Chorus]  
[Fingazz] Love to drop my rag drop down  
[Big Ron] Drop down  
[Fingazz] When I cruise around  
Our town  
Love to drop it  
All the way down  
[Big Ron] Way down

[Fingazz] Hit the switch and cruise  
Around  
Around

[Verse 2: Richee]

What up, homies  
You'll find me cruising down the block  
In my Chevy Impala, music bumpin' non-stop  
Doing what I gotta do, hustlin', make a lot of loot  
While I'm checking out the ladies in the pink boots  
Yo, coast to Yokohama and back to the Bay  
Have a barbeque here  
On a hot summer day  
Chillin' with my homies, sippin' on some O.D.  
Smokin' on a blunt, gettin' high like always  
Ha ha, my crew and I like to have some fun  
Fixing up the lo-lo riley with the rag top down  
Saying "Ichi, ni, za" and just hoppin' around  
Westside connected from Cali to Japan  
It's Richee, from the Ghetto I-N-C  
Spittin' rhymes out with Slow Pain the O.G.  
That's how we bring it to you, makes you put ya hands  
high  
Now let's scratch the booth for another tom pie

[Repeat Chorus]

[Verse 3: Big Ron]

Sound off, from the Bay, where we stay  
It's Big Ron, coming from around your way  
In my 6-4 Caddi, checking out the ladies  
Girl, it's Ghetto Luv, baby  
And we foolin' around  
Under the sun  
Sippin' hypnotic, havin' some fun  
Hearing PMX's beats in the street  
Oooh, it's Yokohama cruisin'  
Cause we cruise in my town  
Going around  
Hit switches, up and up and  
Down  
You know we chilling with my homies (Homies)  
With the sexy ladies (Sexy ladies)  
And PMX is bebopin'  
On and on

[Repeat Chorus]

[Fingazz]

Love to make my rag drop down  
When I cruise around my town

Oooh, yeah  
Love to make my rag drop down  
To make my rag drop down  
Oooh, yeah  
Oooh  
Bay Area  
Bay Area  
Bay Area  
Oooh, baby
