Big Runca - Sway

=====

Dont stray, dont ever go away
I should be much too smart for this
You know it gets the better of me
Sometimes, when you and I collide
I fall into an ocean of you, pull me out in time
Dont let me drown, let me down
I say its all because of you

And here I go, losing my control
Im practising your name so I can say it to your face
It doesnt seem right, to look you in the eye
Let all the things you mean to me
Come tumbling out my mouth
Indeed its time to tell you why
I say its infintely true

Chorus:

Say youll stay, dont come and go like you do
Sway my way, yeah I need to know all about you

And theres no cure, and no way to be sure
Why everythings turned inside out
Instilling so much doubt
It makes me so tired. I feel so uninspired
My head is battling with my heart
My logic has been torn apart
And now it all turns sour
Come sweeten every afternoon

Chorus (2x)

Its all because of you, its all because of you

Now it all turns sour, come sweeten every afternoon
Its time to tell you why
I say its infinitely true

Chorus (2x)

Its all because of you, its all because of you
Its all because of you
