Don't stray don't ever go away I should be much too  
smart for this You know it gets the better of  
me Sometimes when you and I collide I fall into an ocean  
of you Pull me out in time Don't let me drown Let me  
down I say it's all because of you  
And here I go losing my control I'm practising your  
name So I can say it to your face It doesn't seem right to  
look you in the eye Let all the things you mean to me  
come tumbling out my mouth Indeed it's time tell you  
why I say it's infinitely true  
Say you'll stay don't come and go like you do Sway my  
way yeah I need to know all about you  
And there's no cure no way to be sure Where  
everything's turned inside out But still in so much  
doubt It makes me so tired I feel so uninspired My head  
is battling with my heart My logic has been torn  
apart And now it's all so sour Cause sweets in every  
afternoon  
Say you'll stay don't come and go like you do Sway my  
way yeah I need to know all about you  
Say you'll stay don't come and go like you do Sway my  
way yeah I need to know all about you  
It's all because of you It's all because of you  
Now it all turns sour Cause sweets in every afternoon It's  
time to tell you why I say it's infinitely true  
Say you'll stay don't come and go like you do Sway my  
way yeah I need to know all about you  
Say you'll stay don't come and go like you do Sway my  
way yeah I need to know all about you  
It's all because of you It's all because of you It's all  
because of you
