Think that today  
I'll go down by the sea  
Think that today -  
It was made for me.  
Pack myself a lunch  
And I will pack myself ahead  
All today is Saturday  
I'll spend Sunday in bed.  
And I'm so glad  
That you've decided to come  
You won't regret it  
As we lunch in the sun.  
I'm the loser, but I  
Know how to play the game  
Couldn't she see that I'm a  
Child in disguise  
Experience makes the  
Child grow wise

Here I am stuck in the middle with you.  
You give me rest and no complaints.

Drawing little boxes  
On pieces of paper  
Looking out the window  
On this rainy day  
Head in hands  
And with nothing to say  
But - I'm the loser and I  
Know how I played that game  
And I think that I lost it  
When all I wanted to do  
Was touch you  
I suppose you didn't  
Think that much of me  
Couldn't she see that I'm a  
Child in disguise -  
Experience makes the  
Child grow wise.

Off to work tomorrow

Same old week  
Still there's always Saturday -  
Saturday  
Saturday makes the week.  
Saturday makes the week.  
Saturday makes the week.  
Saturday makes the week.  
Saturday makes the week.  
Saturday makes the week.
